HIGHER COLLEGES OF TECHNOLOGY

## Business Faculty Positions

**The Higher Colleges of Technology** is the largest higher education system in the United Arab Emirates with over 18,500 students in a 16 college system based in 17 modern campuses throughout the country, studying courses from Foundation to Master's Degree level. With 2000 staff comprised of over 60 different nationalities, the HCT is a true representation of the diverse ethnic mix of the UAE's population that makes it such a peaceful and tolerant place for people to live and work.

As we continue to expand, HCT invites applications for position in the following specializations:

- Marketing
- Human Resources
- Accounting
- Finance Services
- Economics
- Law

**Responsibilities:** A primary responsibility will be teaching effectively in a practical learner-centered environment; preparing students in various business-oriented career studies to contribute to the positive development of the country; adhering and assisting in the development of system-wide policies affecting the Higher Colleges of Technology; and actively participating in the academic and extra-curricular life of the College and the community.

**Qualifications:** A master's degree from an accredited institution in management, accounting, human resources, financial services, marketing, economics, e-business, or a closely related field. The qualified applicants must have 1) at least three years of teaching experience, preferably at an adult, tertiary or post-secondary level; 2) three years of industry or industry-related experience; 3) cultural awareness and sensitivity.

**Rewarding Compensation:** Competitive/tax-free salary, relocation/commencement assistance, unfurnished accommodation, tuition assistance for dependent children, 48 working days of paid annual vacation, annual air ticket to the country of origin for the employee and their eligible dependents, free comprehensive medical coverage for employees and their eligible dependents, and much more.
